## How is the course delivered?

Much of this qualification can be mapped to training that the learner has already taken part in within their uniformed youth organisation. In some cases, 100% of the course can be achieved in this way with no workbook to complete.

## How long will it take?

The length of time needed to complete this course will depend on our delivery partner running the course. It will also depend on the learner and how much recognised prior learning they have. We recommend that our learners belong to a uniformed youth organisation for a minimum of 12 months before enrolling on the qualification.

## How will it be supported?

Learners will be supported by our delivery partner together with our Teaching and Learning team at Cadet Vocational College.

## How much does it cost?

Please telephone 01276 601701 or email us at [level1@cvcollege.org](mailto:level1@cvcollege.org) to find out about our latest fees and discover whether you may be eligible for a Cadet Vocational College bursary.
